**Monitor & Control:
(cont.)**

FUNCTION BAR COMMAND

STUDENT STATUS ICON DISPLAYED

Administer formative or summative assessments such as a quiz or test.

Students can share with each other in small groups (more details in manual.)

Many useful options to control other functions

If you minimize the main window, you can still access key functions by either right-clicking the **Camera Icon** in the taskbar or moving your mouse near the top of your screen on the right side to display the following **Toolbar**.

Camera Icon

Toolbar

Mouse-over the icons to see what each tool does. The Pen Icon lets you annotate your current screen.
